

# Safe at Worship

For the latest updates  
and information, visit  
[www.stbonifaceparish.com](http://www.stbonifaceparish.com)

## To Protect All

- + Stay home if you have a fever or other symptoms of COVID-19.
- + Wash hands regularly and sanitize hands when entering.
- + Bring and wear a mask except when you are receiving communion. Those prevented by medical issues from wearing a mask or under the age of two are exempted.
- + Enter only through the center church door or the side door, follow any guidance from greeters, and do not congregate.
- + Sit only with members of your household in open pews.
- + Ensure 6 feet between households in each pew and 6 feet distance between households at all times.
- + Exchange a non-touch Sign of Peace and do not hold hands with other households for the Our Father.
- + For communion, form only a single line down the main aisle, maintain distance (tape on floor), remove mask to receive, and step aside to consume.
- + Sing softly or do not sing, praying with the song.
- + Drop contributions in baskets by doors.

## To Accommodate All

- + Public Masses begin with the 11:00 a.m. Sunday Mass on May 24. To ensure appropriate distance, seating is limited and is first come, first seated.
- + The 11:00 a.m. Sunday Mass will be made available online for those who do not attend.
- + Confessions will be at 10:15 a.m. before the Sunday Mass in the St. Timothy Chapel or by appointment.
- + Those who are sick, vulnerable, or worried are dispensed from the normal Sunday obligation.
- + Ministers will follow special safety procedures. For communion, only hosts will be distributed and ministers will wear masks and sanitize hands before and again (each time) if any physical contact is made.
- + Church and all accessed areas cleaned after each Mass.
- + Additional Mass added based on safety and demand.

## A Welcoming Community.

We are so glad to have you back at St. Boniface!
